County Convention

FIRST MEETING

Concord, N. H., Jan. 7, 1913.

The first meeting of the Sullivan County delegation was held in Room 7 this afternoon, immediately after adjournment of the House.

The meeting was called to order by Olin H. Chase of Newport.

Ralph E. Lufkin of Unity was elected Chairman.

Olin H. Chase of Newport was elected Clerk.

Voted to adjourn to the call of the chair.

OLIN H. CHASE, Clerk.

SECOND MEETING

Concord, N. H., Jan. 14, 1913.

A meeting of the Sullivan County delegation was held in the General Committee room in the State House this afternoon, immediately after the adjournment of the House.

An informal discussion of a bill to be introduced into the House in the interests of New Hampshire agriculture was made. The purpose of the bill is to enable county delegations to raise money, not less than twelve

hundred dollars ($1200.00) for each year, for the purpose of cooperating with the Bureau of Plant Industry of the United States Department of Agriculture in securing for such county the services of a trained agriculturist whose duty it shall be to give scientific instruction and advice to farmers of such county free of charge.

It was the sense of the meeting that the bill to be introduced should apply to all counties of the state, and that its adoption should be left to the option of each county delegation.

The matter was referred to the Farmers Club. Mr. Porter of Plainfield was directed to present the matter to a meeting of the Farmers Club to be held this evening.

Voted to adjourn.

OLIN H. CHASE, Clerk.

THIRD MEETING

Unity, N. H., Feb. 10, 1913.

The delegation met at the County Farm today.

After an inspection of the buildings and stock an excellent dinner was served under the direction of Mrs. Putnam.

The business session was called to order by Chairman Lufkin.

Wayne C. Jordan of Newport, Secretary of the Sullivan County Y. M. C. A., spoke in favor of House Bill No. 209, introduced by Mr. Kinney of Claremont, An Act to Authorize the Convention of any County to Raise Money for the Purpose of Securing a County Agent for the Development of the Farming Industry in such County, which bill is now pending.

Henry C. Sanders, for the County Commissioners, offered the following recommendations:

Newport, N. H., Jan. 11, 1913.

The Commissioners of Sullivan County respectfully recommend that the County Convention appropriate for the current expenses of the County for each of the years 1913 and 1914 the sum of thirty-six thousand dollars ($36,000.00) and submit the following estimates of probable expenses:

For the payment of county officers	$ 2,000 00
For the support of paupers and Dept. Sol.	17,000 00
For county farm expenses	7,000 00
For court expenses	4,000 00
For payment of jurors	1,500 00
For jail expenses	1,000 00
For incidental expenses	2,000 00
For debt and interest	1,500 00
	$36,000 00

Respectfully submitted,

HENRY C. SANDERS,
FREDERICK W. AIKEN,
ALBERT I. BARTON,
Commissioners of Sullivan County.

After discussion it was voted that the recommendations of the Commissioners be adopted and that the sums named in their recommendations be raised for each of the years 1913 and 1914, and appropriated as recommended.

Voted that the sum of six hundred dollars ($600.00) be raised for each of the years 1913 and 1914 and appropriated for the purpose of continuing the work of re-

indexing the records in the office of the Register of Deeds.

Voted that the subject of raising money be laid upon the table for further consideration.

The County Commissioners called attention to the need of a new building at the farm for use as a Superintendent's house. Plans made by Ernest A. Robinson were submitted for examination. Mr. Robinson estimates that a suitable house could be built for three thousand and seven hundred dollars ($3700.00) ; and that with the rough lumber that can be furnished from the farm, thirty-two hundred dollars in actual money would be sufficient. Mr. Robinson regards repairing the present house as impractical, and that it would cost at least one thousand dollars ($1000.00).

Voted to adjourn.

OLIN H. CHASE, Clerk.

FOURTH MEETING

Concord, N. H., Feb. 12, 1913.

The delegation met in the General Committee room in the State House for the purpose of giving a hearing on House Bill No. 159, introduced by Mr. Charron of Claremont, An Act to Fix the Salary of the Sheriff of Sullivan County.

Edward H. King of Newport spoke in favor of the bill. No other persons appearing the meeting adjourned to Thursday morning, Feb. 13, at 10.00 o'clock.

OLIN H. CHASE, Clerk.

FIFTH MEETING

Concord, N. H., Feb. 13, 1913.

The delegation met in Room 4 this morning accord-

ing to adjournment. There being no quorum present the meeting adjourned till Wednesday morning, February 19th, at 9.45 o'clock in Room 4.

OLIN H. CHASE, Clerk.

SIXTH MEETING

Concord, N. H., Feb. 19, 1913.

The delegation met in Room 4 this morning according to adjournment.

Mr. Chase of Newport moved that House Bill No. 159, An Act to Fix the Salary of the Sheriff of Sullivan County, be reported to the House with the recommendation that the bill ought to pass.

Mr. Kinney of Claremont offered as an amendment that the amount of salary proposed in the bill be changed from four hundred dollars ($400.00) to three hundred dollars ($300.00). The amendment was accepted and the motion as amended was carried.

Voted to adjourn.

OLIN H. CHASE, Clerk.

Concord, N. H., Feb. 27, 1913.

The delegation met in Room 6 this morning at 10.00 o'clock.

sion of the Legislature entitled, "An Act to Authorize the Convention of Any County to Raise Money for the Purpose of Securing a County Agent for the Development of the Farming Industry in such County."

Voted that it is the sense of the delegation that doe and spiked buck should be protected by law, and that the Fish and Game Commission be notified of this action.

Voted that Mr. Briggs of Charlestown be instructed to consult with the Fish and Game Committee and inform them that it is the sentiment of the Sullivan County delegation that non-resident hunters should be able to secure hunting permits in the same manner as resident hunters.

Voted that the Clerk be instructed to inform the proper authority at Washington of the action taken by the delegation in relation to securing the services of a trained agricultural agent.

Voted to adjourn.

OLIN H. CHASE, Clerk.

Commissioners' Report

To the Citizens of Sullivan County:

In accordance with the requirements of the Public Statutes of the State of New Hampshire, the Commissioners of Sullivan County herewith present their annual report, together with the report of the Superintendent of the County Farm and House of Correction, Treasurer, Clerk of Superior Court, Sheriff, Jailor, Solicitor, Chaplain, Physician and Auditors for the fiscal year ending Dec. 31, 1913.

Mr. and Mrs. O. A. Putnam are still in charge of the County Farm and House of Correction.

They have always been vigilant in looking after the welfare of those committed to their care.

By a vote of the County Convention, the County Commissioners were authorized to construct a new house for the use of the Superintendent and employees at the County Farm.

Hira R. Beckwith, architect, at Claremont, was employed to make plans and specifications and to have general charge of the work.

After the plans and specifications were prepared the

Commissioners advertised for bids for carpenter and mason work, above the foundation, all the material to be furnished by the County. All bids submitted, were in the opinion of the architect and Commissioners, too high, and it was decided to hire help by the day to build the house.

The amount paid for carpenter and mason work was about three hundred dollars less than the lowest bid for such work.

The cottage which heretofore had been used for the home of the Superintendent and employees was moved onto the lawn, and used as a home, while the new house was being built.

The new house stands on the same site as the old one did, excepting, that it extends eight feet further out on the west side making a building thirty-six feet in width, seventy-two feet in length and two stories in height for fifty-two feet of the length, with flat roof, covered with tar and gravel. A piazza extends across the north end and for about thirty-six feet on the east side of the building.

The house has on the first floor a living room, sleeping room, dining room, office, kitchen, pantry, workroom, storeroom, milkroom and toilet. On second floor six sleeping rooms with a closet for each, ample hallways and a toilet room.

The finish throughout the house is of hard or yellow pine, and the floors are all of hard wood.

The house is heated by steam, lighted with electricity and has modern plumbing throughout.

The entire construction is of good material and workmanship.

Good crops were raised during the past season, the

stock is constantly being improved and is in a healthy condition.

Respectfully submitted,

HENRY C. SANDERS,
FREDERICK W. AIKEN,
ALBERT I. BARTON,
} Commissioners of Sullivan County.

EMERY M. FITCH, M. D.

Dec. 31, 1913.

Chaplain's Report

With the cooperation of our worthy superintendent and wife, Mr. and Mrs. Putnam, our work at the home this year has been very pleasant and we trust helpful. The semi-monthly chapel services have been well attended. Miss Maria Woodard has served as organist the latter part of the year and several from outside have assisted in the services at different times.

Flag day, Flower Mission, Thanksgiving and Christmas were seasons of great pleasure and those who helped in this good work may well remember the words of him who said, "Inasmuch as you have done it unto the least of these—you have done it unto me."

We have visited the sick in their rooms from time to time and attended two funerals.

For so good a home with modern conveniences and a board of managers who have the welfare of the unfortunate at heart we have reasons to thank God.

Faithfully yours,

N. D. Witham, Chaplain.

F. H. BROWN, Solicitor.

Solicitor's Report

Sullivan County may regard itself as fortunate in the comparatively few violations of the law and the small expense involved in the prosecution of criminal offenses since April 1st of the current year. Only one probably premiditated homicide has occured and in this case the perpetrator took his own life by hanging himself in the county jail before the time for his trial arrived.

Only two indictments were found at the May Term of Court ; one against George J. Kendall for the murder of George C. Osgood above referred to, and one against Frank W. Nason for the illegal keeping for sale of liquor.

At the November Term the Grand Jury brought in three indictments ; one against Edward Welch for homicide, one against Claude Temple for assault with attempt to commit rape, and one against Paul Hutchins for assault with attempt to commit rape.

These indictments, with the exception of the one against Kendall are still pending as the Court was not able to provide a trial judge at either the May or November Terms of Court for the disposal of the criminal cases. All of the respondents have been liberated upon bail and thus no expense for their detention has been imposed upon the County.

Complaints for larceny have been instituted against Frank Dube and James Spicer of Acworth. They pleaded not guilty and were committed to jail. A complaint for larceny has been instituted against Clyde Haywood of Claremont who pleaded not guilty. The respondent was bound over with sureties. Complaint against Henry Page for larceny, pleaded not guilty and was commited to jail. Complaints against Raoul Thibault and Charles Thibault were brought for arson. The respondents were dismissed for want of sufficient evidence.

Six search warrants have been issued, three of which were successful and the respondents paid fines.

Only two serious offenses have been committed where the guilty party has thus far escaped punishment ; that of a dastardly assault upon an aged woman in East Plainfield, and a burglary at Charlestown where a store was broken into in the night-time and some five hundred dollars worth of property carried away. Strong suspicion is likely to result in the arrest of certain parties in the latter case.

As most of the prosecutions for drunks and minor criminal offenses are brought directly into the police courts and disposed of by the judges or special justices of these courts without the intervention of the County Solicitor it is not necessary to make any special mention of them in this report.

The County has had its attention called to the need of some provision being made at the County Jail whereby men confined therein and awaiting trial might be provided with some kind of work that would be of material value to the County, and contribute something to the health and general good of the prisoners. It would seem to be desirable for the Commissioners, Sheriff, So-

licitor, and other County officers to join in a thorough investigation along this line and give the result of their work in some form of printed report, with such recommendations as was deemed best.

We also wish to allude to the numerous escapes of prisoners from the County House of Correction, which have been more frequent the last year than in previous years, but which has resulted from the larger number of convicts confined, in our judgment. The public must understand that the facilities at the House of Correction are not calculated to provide against the escape of vicious and designing prisoners. We feel confident that the Commissioners and Superintendent at all times exercise the highest degree of care and vigilance in guarding the inmates and to hold them for the full term of their confinement.

No fines, costs, or moneys belonging to the County have been received by me in cases prosecuted as Solicitor, and no civil suits brought by or against the County during the current year.

It is perhaps too early to pass correct judgment upon the efficiency of the new police judge trial system for petty crimes, misdemeanors and for small civil suits as provided by the last legislature, but in the town of Newport, where license prevails, it has appeared to work satisfactorily. Cases are not only prosecuted with ease and dispatch, but the reports now indicate that the system will result in a financial saving to both towns and county.

Respectfully submitted,

F. O. CHELLIS, Solicitor.
